

BAGIT SYSTEM®
Bagit® Deskside

The Deskside Bagit® is an attractive, durable, long-lasting alternative to corrugated boxes and poly tubs. The standard model's mid-blue bag and ash gray rack blend easily and unobtrusively into all decor. Two handles make it easy to tote when full. This is the best container to go from desk side to your intermediate-collection Bagit System® "Original"—the original reusable bag and rack collection system.

Features:

- Aesthetically superior design—attractive, unobtrusive, versatile;
- Durable and stays good looking;
- High Quality Construction: Welded steel rack, heavy-duty woven, coated fabric bag;
- Bag is made from minimum 15% recycled content, rack is minimum 50% recycled;
- 3-1/2 gallon capacity (Bag dimensions: 9" X 10" X 10"H);
- Standard Model Colors: Bag: Mid-Blue Rack: Ash Gray (High-Gloss, durable Powder Coat finish);
- Custom Bag colors, and custom Rack colors available with minimum order.
